## Our Mission is Simple.

Collect all revenues that are owed to our clients... and do it in a timely manner!

# Quickly, Quality, Assurance

## About Us

BillingGurus, is located in Cape Coral, Florida and we provide Medical Billing Services, Healthcare IT Solutions, Software Development and BPO Services.

15 years of experience in the industry with proven track record. BillingGurus can mobilize the right people, skills and technologies to help clients improve their performance and increase revenue and decrease operational costs.

## Our Vision

Our vision is to maximize the return on your claims, reducing the time it takes to receive payment, without sacrificing service or patient support. We successfully convert medical services into cash reimbursements by providing a full range of medical billing services.

## Medical Billing Services

We work as a back-office and provide end to end and customized services to Medical Billing Companies nationwide, At BillingGurus we bring in Healthcare experience, local presence capability to provide flexible, cost effective solutions to our clients which not only saves money but also helps them grow in the competitive Healthcare industry.

## Clean Up Old Account Receivable

At BillingGurus, We undertake old AR/AP cleanup work. Many Healthcare Providers have accumulated or unresolved Accounts receivables either due to lack of proper follow up or they don't want to follow up on Low pay EOB's because they end up spending a lot of money without much returns on claims. At BillingGurus, We analyze AR/AP reports & determine strategies to work on, thus we reduce the bad debts and maximize
